Education

2019–Present Ph.D., Mathematics, University of St Andrews

My research is on practical computation with finitely presented semigroups.

Supervised by Prof James D. Mitchell

2018–2019 M.Sc., Mathematics, University of St Andrews

With Distinction

Dissertation: Computational methods for finite semigroups presentations,
supervised by Prof James D. Mitchell

2013–2017 B.Sc., Mathematics, University of St Andrews

Average: 8.03/10

Work Experience

2018–2019 Quantitative Research Executive, Pulse Market Research, Cyprus

Teaching

2019 MT1002, Mathematics

University of St Andrews
